

Aleksi Campagne

RIDER

We are happy to play with the equipment that is available, however, should there be a choice, we prefer a tube amp like a Fender Deluxe Reverb, a Fender Princeton Reverb, or something similar for the guitar. We bring our own refillable water bottles, so please do not provide disposable water bottles on stage.

If food is provided, Zach is vegetarian, and Stephane is allergic to cilantro/coriander.

STAGE PLOT

4 musicians:

1. Lead vocal, violin DI (AC power, room for large pedal board), mandolin DI
2. Backup vocal, Bass guitar (DI or bass amp, AC power)
3. Electric Guitar (amp with line out, AC power), Acoustic Guitar (DI,)
4. Drums, backup vocal

One monitor for each musician if possible. If there are only three monitors, please omit the electric guitarist monitor.
